

# VTEN | Vermont Transportation Efficiency Network

1:30 to 4:30 pm | September 18, 2017  
118 Elliot, Brattleboro, Vermont 05301

*Pre- and post-meeting networking and social time on Amtrak!*

## Two Approaches to Moving the Needle: the Very Local & the Statewide

### Meeting Objectives

- With a focus on bikes and rail, learn about Brattleboro's successes and goals for a multi-modal downtown.
- Identify opportunities as a new statewide transportation policy, research & advocacy coalition is forming.
- Review changes to VTEN website.

### Agenda

1:30 **Welcome, Introductions & Meeting Purpose**

1:45 **Community-Driven Multi-Modal Improvements in Brattleboro**

*Panel with Dave Cohen (vBike), Larry Lewack (Vermont Rail Action Network), and Dr. Becky Jones (VBike, 350Brattleboro, Vermont Climate and Health Alliance)*

*Q & A*

**Group Discussion:** What are the challenges and opportunities to replicating these kinds of programs elsewhere? Can the group identify additional resources that can be connected to Brattleboro?

2:55 **Break**

3:05 **Transportation4Vermonters Coalition: A New Partner for Transportation Efficiency**

*Presentation from Kate McCarthy, VNRC*

*Q & A*

**Group Discussion:** How will VTEN and the T4VT coalition relate to and complement each other? What opportunities exist to further the goals of efficient & healthy transportation?

4:15 **Demo: Host Change for VTEN Website**

4:20 **Wrap-up & Walk to Train Station**

**Please fill out a MEETING EVALUATION before you go.**
