All commuter buses are equipped with bike racks.

Plan your bus trip at [google.transit.com](http://google.transit.com)!

## do you know about **EMERGENCY RIDE HOME?**

If you carpool, vanpool, take the bus, bike, or walk to work, **EMERGENCY RIDE HOME** reimburses the cost of a cab or rental vehicle (including Zipcar) if an emergency arises and you need to get home, to the park & ride, to the hospital, or to your child's school or daycare.

New Hampshire residents working within Advance Transit's New Hampshire service area qualify for the **Upper Valley TMA's Emergency Ride Home program**. The benefit offers reimbursement up to \$50 per trip (maximum six times per year).

Download the Reimbursement Form at [vitalcommunities.org/erh](http://vitalcommunities.org/erh)

If you live OR work in Vermont, register with **Go! Vermont** at [connectingcommuters.org](http://connectingcommuters.org) to qualify for the **Guaranteed Ride Home program**. The benefit offers reimbursement up to \$70 per trip (maximum six times per year).

This guide is a collaboration of Vital Communities, Go! Vermont & Advance Transit

## CARPOOL | VANPOOL

find a  
carpool with:

**VANPOOL:** Save money with 5+ people who share a similar commute. Enterprise Rideshare provides a newer model van or SUV. Go! Vermont provides a \$700 per month subsidy for vanpools starting or ending in Vermont!

Vermont: [connectingcommuters.org/vanpool](http://connectingcommuters.org/vanpool)  
New Hampshire: [commutewithenterprise.com](http://commutewithenterprise.com)
