VITAL COMMUNITIES TRANSPORTATION UPDATES

CURB your CAR this FRIDAY!

This Friday (May 17), the rest of the country is celebrating National Bike to Work Day, but here in the Upper Valley we'll be taking it a step further with our **second annual Curb The Car Day**.

So, bike or walk if that's for you. Or take the bus, vanpool, or carpool. Or even skateboard or kayak.

Then **join your neighbors and coworkers** at a Curb the Car Day location **to celebrate** with:

- **breakfast treats**
- **swag**
- **an e-bike conversion workshop**
- **a pop-up park**
- **& and more!**

For more info on locations and events, [check out our website](#). Share the [Facebook event](#) too!

GREEN DRINKS this week: Carpooling & Rideshare with the NEW Go! Vermont app!

Join us at "Green Drinks" on Thursday (May 16) 4:30-5:30pm at [Worthy Kitchen](#) in Woodstock to learn about the new [Go! Vermont rideshare tool](#).

This platform makes it easier to **find carpool buddies, earn rewards for green commutes, and track your trips**. We'll demonstrate how to use the app to help reduce your carbon footprint!

Set up your Go! Vermont account before Green Drinks at www.connectingcommuters.org.

Green Drinks is a free monthly public event hosted by Sustainable Woodstock, with the goal of keeping alive the conversation around building a sustainable community.

Check out the [Facebook event](#) or contact Zach Ralph at Sustainable Woodstock for more info: 802-457-2911 or zach@sustainablewoodstock.org
