Valley Quest is a way to explore, discover, learn, and have fun in the Upper Valley. Vital Communities maintains 170+ community-developed treasure hunts that share the natural and cultural history of our region. We work with classrooms to write new Quests, and we host community events about local history and ecology. Learn more at vitalcommunities.org/valleyquest.

For 25 years, Vital Communities has brought people together to cultivate the civic, environmental, and economic vitality of the Upper Valley. Valley Quest is just one of the ways we do that—visit vitalcommunities.org to learn more.
