

Vermont Transportation Efficiency Network

Fall Meeting: “Sharing Lessons from Chittenden County: Adapting Urban Solutions to the Rural Context”

1-4 pm | October 4, 2018

AARP, 199 Main St #225, Burlington, VT 05401

Join by video or phone: <https://zoom.us/j/7646879281> | Telephone: 929-436-2866 | Meeting ID: 764-687-9281

Meeting Objectives

- Give input on Vermont’s Public Transit Policy Plan, particularly in the context of emerging challenges.
- Learn about quick, creative, or low-cost bike and pedestrian improvements in Burlington.
- Discuss how to apply Burlington’s solutions to Vermont’s smaller towns and rural areas.

Agenda

12:50 **Arrival & Refreshments**

1:00 **Welcome, Introductions & Meeting Purpose**

1:15 **Public Transit Policy Plan: a Ten-Year Vision for Improved Transit Service in Vermont**

Ross MacDonald, Go! Vermont

Q & A

Discussion & Policy Input: What guidance can partners give the state, particularly looking at aging in place, responding to the opioid epidemic, and increasing quality of life for all Vermonters?

1:45 **New Database of Statewide Bike & Pedestrian Data**

Jim Sullivan, UVM-TRC

2:00 **Recent Multi-Modal Success Stories in Burlington Area**

Green Mountain Transit – Update on the downtown transportation centers

Local Motion – Neighborhood Greenways: planning, public outreach & implementation

Bryan Davis, CCRPC – Increasing transportation options through land use policies & downtown redevelopment

Q & A

2:40 **Quick Stretch & Break**

2:45 **Discussion:** What technical resources, financing tools, outreach and public engagement methods, etc. from Burlington’s case studies can partners replicate at home to make meaningful change?

3:20 **Biking, Walking, and Networking**

Bryan Davis & Nicole Losch will lead a short bike/walk tour of Burlington’s downtown transportation improvements. *Try new Greenride Bikeshare, bring your own bike, or walk to explore these upgrades!*

4:10 Close

Please fill out a MEETING EVALUATION before you go.
