SOLARIZE LAUNCH EVENT

***Saturday, October 18, 1:00 to 3:00 pm in the Rivendell Academy Cafe
Our solar installer will be available to answer your questions.***

What Makes Solarize Orford Work?

- **Community Outreach** - Our program is led by a volunteer team from Orford with support from Vital Communities, a local non-profit.
- **A Pre-Selected Installer** - The installer has been pre-selected by our volunteer team in a competitive selection process.
- **Simple and Easy** - Our program will help you to understand solar: how to begin, what to expect, and the costs/benefits of going solar.
- **Opportunity and Savings** - Go solar by January 31st: as more neighbors go solar, installation costs decrease for everyone.

*Questions: Carl Cassel at 353-4434 or damehill02@myfairpoint.net
