Libraries are a place of exploration, learning, curiosity, information – and adventure!

They are also an essential part of our communities. Of the 69 towns and cities in the Vital Communities’ service area, 96% of them have a public library! The remaining communities are served by the public libraries of a neighboring community. This year’s Super Quest is a great addition to the NH and VT Summer Reading Program theme for this year, “Adventure Begins at Your Library.”

Please visit the 2024 Super Quest page (vitalcommunities.org/superquest) for events and activities at participating libraries, where you can hear librarians read books featured in this year’s Super Quest and other fun activities!
Recommended Reading

Librarians participating in this year’s Super Quest have made recommendations for books, audio books, podcasts, and items to borrow that complement and enhance the experience of taking these Quests.

Part of this year’s Super Quest Challenge is to read, listen to, and/or use at least one of the listed items for each Quest. There is a place in this booklet to write down the title/item. We would love to read a sentence or two about how the book or item added to your Questing adventure! You can find many of these items at your local library.

Please visit vitalcommunities.org/superquest to view and download the list of recommendations.

Did you read or listen to a related book or podcast that’s not on our list? Please list those on the booklet’s back page, along with any other comments or observations about this year’s Super Quest you want to share!

**The following pages are for you/your team to fill out as you complete your Quests!**

You can stamp the pages using the special stamp and stamp pad that you find in the treasure box upon completing a Quest. There is also space for team members to draw, note something special about the Quest or experience of questing.

This year’s challenge is to complete all 10 Quests and read/use/listen to at least one of the recommended books, audiobooks, podcasts, or items from a local library for each Quest.

To be entered in the drawing for the grand prize, each team needs to submit at least 1 completed booklet by November 20, 2024 to Gabrielle Smith, either via email at: gabielle@vitalcommunities.org or mail to:

Gabrielle Smith, Vital Communities
195 N. Main Street, White River Junction, VT 05001

Each completed booklet will have a stamp for each Quest, and will list 1 or 2 of the recommendations they read or listened to. Go to page 10 for more information about this part of the Super Quest challenge!
